

Silver Strike Bowlers

Welcome to another season of Silver Strike Bowling Leagues. League starts at 7:00p.m. on Tuesday & Thursday, 11:30p.m. on Wednesday, and 12:00 on Sunday. There is a 15-minute grace period for all leagues. You must be 21 years old to play in the league.

If a team cannot bowl on the scheduled date, the captain of that team **MUST** notify Lakeshore Coin and the other team captain at least 12 hours prior to the scheduled match. The match must be made up within two weeks of the scheduled date or the team that cancelled will forfeit the match. If a team does not show up to bowl or fails to notify Lakeshore Coin and the opposing team captain in the required 12 hours, they will be given a forfeit. Both teams involved in a forfeit must still pay the required league fees.

If there is a "Bye" in your league or an uneven number of games bowled, the placement is decided on a percentage basis. The team with the highest percentage wins the league.

If your team, for any reason, drops out of the Bowling League, you will not be paid for any games won.

You do not have to fill in the averages or handicaps the first week, the computer will take care of this for you. League fee of \$4.00 per player, \$16.00 per team must be enclosed in the envelopes we have given each team to use weekly. Wednesday late night league fee is \$4.00 per player, \$12.00 per team.

Each team must fill out their own completed score sheet (include both team's information – bowlers first and last names, scores, etc.). If using a "nickname" please use this name the entire season, If a first time bowler's name or nickname is questionable as to the gender of the bowler, please indicate male or female on the score sheet. This will ensure each bowler is in the proper gender category for handicap purposes. **PLEASE WRITE CLEARLY AND LEGIBLY.**

The drop off point is SUSCHA'S BAR, 1054 PENN. AVENUE. Score sheets and fees must be turned into Suscha's by 10p.m. the following day after your scheduled match has been completed. Each team captain is responsible for dropping off their own score sheet and fees in their own envelopes. **If you give your envelope to another team to drop off at Suscha's, and that envelope does not make it to Suscha's, you will still be responsible for the fees due.** A \$5.00 late fee will be charged if the envelope is not turned in on time.

Schedules and stats can be found on the Lakeshore Coin website and will be updated weekly at www.lakeshorecoin.net. Any questions, please call 208-9250 or e-mail: leagues@lakeshorecoin.net.
