

2014-2015
Sheboygan WSPA/BCA Pool League

Lakeshore Coin Amusement
&
The Sheboygan WSPA/BCA Board of Directors
Tommy Lloyd, John Kotnik, Mike West, Mike Zahalka, Jeff Goetsch

The WSPA/BCA Pool League, formerly the VNEA, then BCA, has been a success in Sheboygan for over 18 years and counting. We are growing, year after year, which proves we have been, and are, headed in the right direction.

As any structured competitive program grows, so does the demand for Planning, Organization, and Necessary Rules and/or Regulations. It becomes necessary to form a “Board of Directors”, from which experience, accomplishments, and dedication along with overall righteousness plays a part in the balance of our league.

**This board, shares the same common goals.
To provide Sheboygan with a structured Pool League System, that not only promotes pool, but also allows any level of player, to play competitively, comfortably, along with a sound understanding of the rules & regulations given to them.**

**The responsibilities of the board -
Will be to discuss rules, changes, “Team placement”, play-offs, scheduling, Trophies, and any other important aspects of the league.
This will help to ensure a great Season.**

Main Objective

This year, our main goal is to form 2 divisions, in which we collectively, studied each and every team, as a whole, and placed them where we best felt they would be competitive.

Not everyone will agree with their team's placement, we are aware of that, however, many factors contributed to our decisions.

Some of this decision was based on the Team as a whole, and individual accomplishments, along with "known ability".

Player abilities' include, knowledge of the game, rules, league play, tournament play, years of experience, and overall achievement.

In any competitive sport the majorities' main objective is to reach for the #1 spot, in the highest division, no matter what level we start at.

With practice, dedication, lessons, league, tournament play and time on the pool table, there is no reason each and every team and individual should not be able to prove themselves, and advance up the ranks.

**Good luck in the
